

LOK-stödsutveckling

Statligt lokalt aktivitetsstöd, det så kallade LOK-stödet, är ett stöd till svenska föreningslivet för att stimulera till att skapa bra verksamhet för barn och ungdomar. LOK-stödet skapades för att ge ett stöd till föreningslivet för att satsa på meningsfulla aktiviteter för barn och unga. En ny och växande ungdomskultur ungdomskravaller, raggarkultur och motbokens avskaffande var några saker som sågs som ett hot mot sunda värderingar bland unga.

Reglerna för LOK-stödet har förändrats ett antal gånger under årens lopp. De senaste förändringarna och är åldersgruppen 21-25 år blev berättigad till LOK-stöd 2014 och ett extra ledarstöd till de grupper som har två ledare. För orienteringsföreningarna i Sverige innebär LOK-stödet ett årligt tillskott på omkring 3,8 miljoner kronor fördelat på 347 föreningar (2019). Varje deltagartillfälle ger i genomsnitt 11 kronor till föreningen.

LOK-stödet är också en viktig fördelningsnyckel när Riksidrottsförbundet fördeler det statliga stödet inom idrotten. Ju mer LOK-stödssammankomster som redovisas för orientering desto mer stöd till orienteringsidrotten.

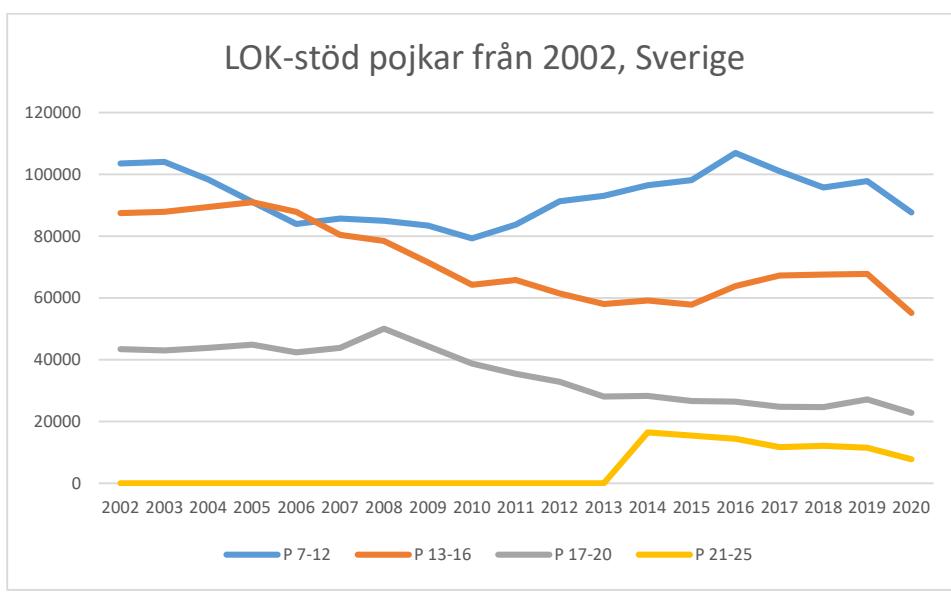

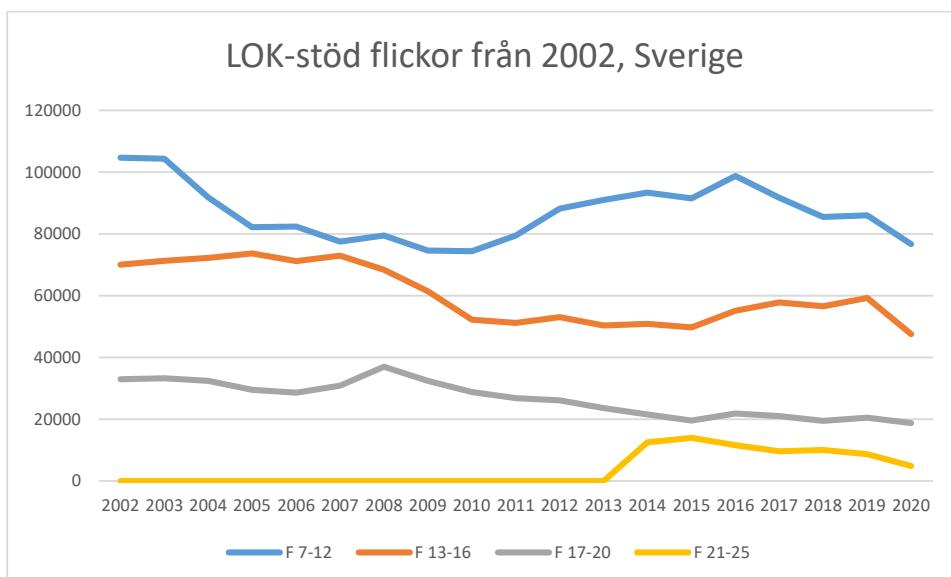

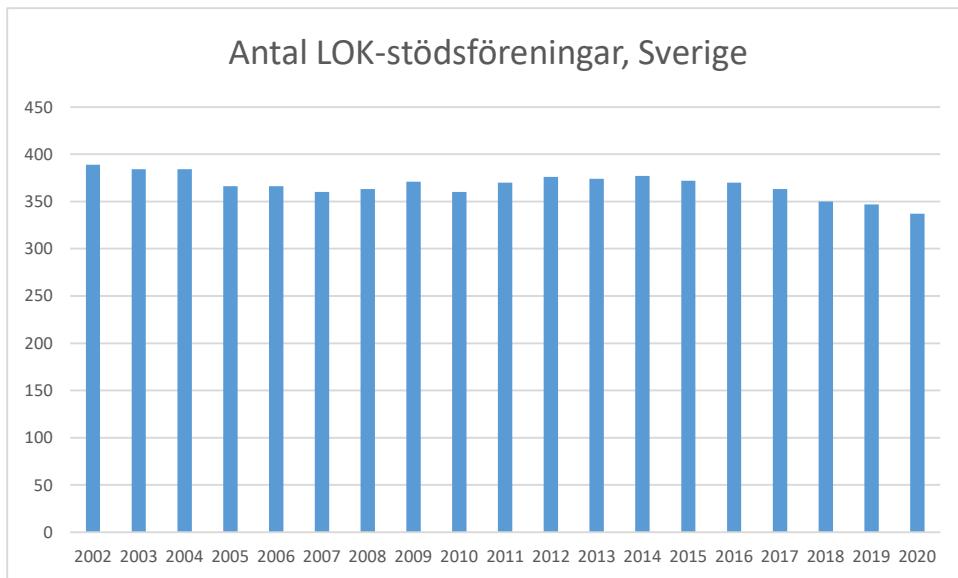

Här följer en redovisning av LOK-stödets utveckling i distriktet som helhet och för respektive förening i distriktet. Föreningar som eventuellt saknas redovisar inget LOK-stöd. Av redovisningen nedan framgår den totala utvecklingen, eventuella skillnader mellan pojkar och flickor samt utvecklingen för LOK-stödets olika åldersgrupper. Förhoppningsvis kan underlaget ge mer kunskap om för vilka målgrupper framtida satsningar bör göras. I vilka åldrar och vilket kön finns våra styrkor respektive svagheter? Vilka satsningar behöver göra?

I mars 2020 drabbade coronapandemin Sverige och världen med restriktioner och begränsningar som följd. Restriktioner i olika nivåer kvarstod till den 9 februari 2022. Detta har påverkat verksamheten.

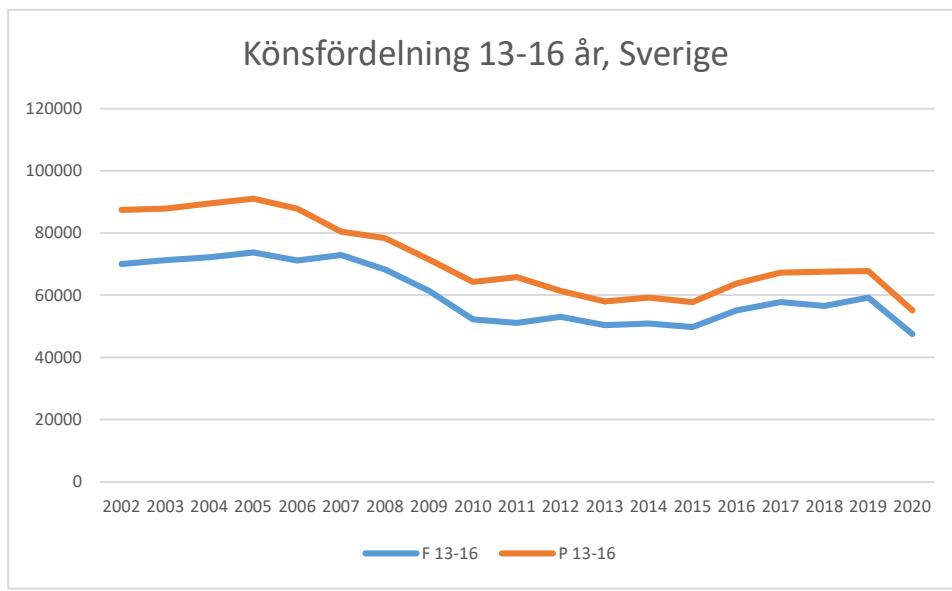

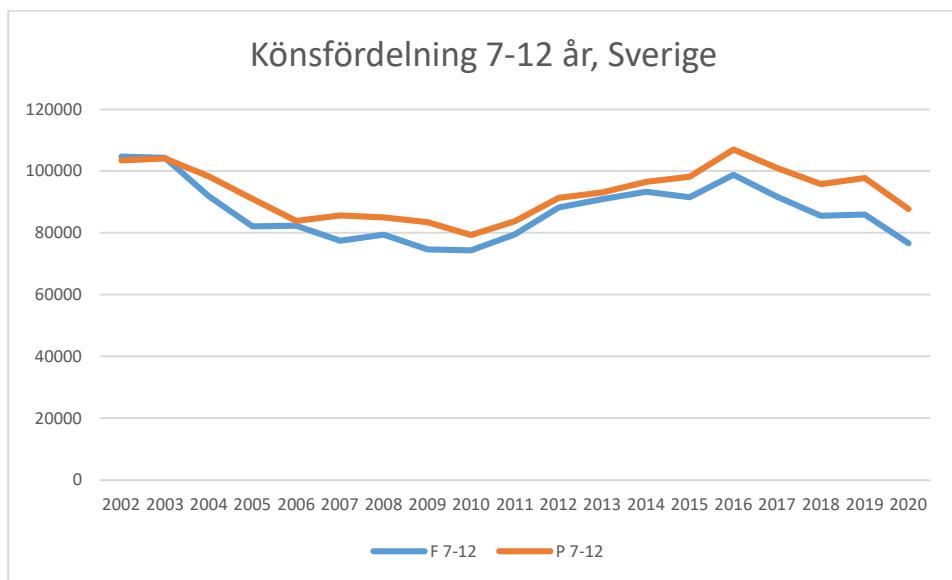

Alla värden är antal deltagartillfällen.
